

Beauly Nursery Newsletter

May 2018

We extend a warm welcome to our new nursery children and their parents/carers. All children, new and returning, have settled well into the nursery routine. Should you have any concerns about your child, no matter how small, please do not hesitate to speak to a member of staff at the beginning or the end of a session, or alternatively make an appointment at a mutually agreeable time if you would prefer.

Learning

The children showed great enthusiasm learning about our topic on dinosaurs and volcanoes, which is now complete. Our floor book is on our learning wall so please take a look through it to find out what we discovered!

There has been a lot of interest since coming back from the Easter holiday in the various spring changes children have been observing and we will be investigating these in more detail over the next few weeks. We have also begun to create a Spring Interest Table in the nursery and we would welcome any items your child may wish to bring in to add to this.

Hustle Tots

We would like to say a big thank you to the Parent Council for their kind monetary donation which enabled the nursery children to participate in Hustle Tots. This was an interactive class comprising of 4 sessions where the children were involved in dance, rhythm and skills development and was thoroughly enjoyed by all!

Singing

We will soon be opening our doors to invite parents into the nursery a few minutes before home time to join in with the children at their singing time. Dates for this will follow shortly.

Sports Day

Weather permitting, our nursery Sports Day will be on Friday, 22nd of June for both am and pm children. **Please note there will be no afternoon session that day.**

Moving on

On Tuesday, 19th June the nursery children who will be going to school in August will spend the morning session in P1, as the whole school will be moving on for a day into the class they will be in next term. Children who attend nursery all day on a Tuesday should attend as normal.**

A transition timetable with visit dates to P1 has been organised for the children moving up in August: details to follow.
