

23/11/18

This week our key learning observation has been to experiment with everyday items as units of measure, we were investigating sizes and amounts both indoors and outdoors.

“Its big.” Keira

Chloe used the ruler to measure the blocks.

“The builder measures!”
Luca

“That one is smaller.”

Xander

“This is big!” Maddie

“I am 11 bricks tall.” Owen

Catherine is weighing the dinosaurs “They are heavy!”

We went on a walk in the playground and looked for things that were bigger than us and smaller than us!

“We made a line in order of size!” Evie

“I am bigger than the gate!” Lukas

“The wall is bigger than us!” Jackson
